## DEPARTMENT OF BIOTECHNOLOGY

### Report for DBT Star Scheme – Outreach activity

Department of Biotechnology, Nehru Arts and Science College organized outreach activity for various schools around Coimbatore. The department organized a Training Programme in order to develop and maintain an interest in Basic Science among biology group students in schools. During the programme we offered Hands on Training, Career guidance, and Minor Investigation Projects to the school students. The students learned certain techniques like volumetric titration, Handling of Microscopes, various staining techniques and observation of microorganisms of microorganisms etc. We collected feedback from participants. Many of them appreciated us and expected these types of activities in forthcoming year for a day.
