

Dear Education Leaders,

The Principal Conclave 2025 serves as a distinguished platform for education leaders to engage in meaningful dialogue on the transformative intersections of Indian Knowledge Systems (IKS), the National Education Policy (NEP), and the United Nations Sustainable Development Goals (SDGs).

As the world stands at the crossroads of tradition and modernity, the NEP 2020 emerges as a visionary blueprint, emphasizing holistic, inclusive, and future-ready education. Central to its ethos is the integration of IKS - a reservoir of age-old wisdom that champions sustainability, harmony, and cultural heritage. In alignment with the SDGs, these principles offer a roadmap for nurturing global citizens who are deeply rooted in local traditions while embracing global perspectives.

This conclave is a call to action for principals to explore innovative pathways, exchange ideas, and collaboratively shape education systems that foster environmental stewardship, social equity, and lifelong learning. Together, let us lead the way in creating a sustainable and equitable future, inspired by the confluence of tradition, policy, and purpose.

Join us as we reimagine education for a brighter tomorrow.
