Tribute to A Great Leader

In the field of professional higher education, the brand - 'Nehru Group of Institutions' evokes the memories of the founder Chairman Late P. K. Das. Starting from scratch in 1968, this great leader spent each ounce of his energy and sweat to establish 16 prestigious Institutions in Tamil Nadu and Kerala. Through constant hard work, firm determination and strict self discipline, he was able to establish Nehru College of Aeronautics and Applied Sciences at Kuniyamuthur, Coimbatore in 1968. Besides this College, he has established four Engineering Colleges, Arts & Science College, Pharmacy College, Aviation Institute, Super Specialty Hospital, three Management Colleges in Tamil Nadu and Kerala. As a passionate young academician, he has started his career in 1968 at Coimbatore and the meteoric rise of this great personality in the field of technical and Higher Education was Phenomenal.

Despite innumerable difficulties and insurmountable obstacles, he forged ahead with firm determination to accomplish his dreams. The flagship Institution namely Nehru College of Aeronautics & Applied Sciences has emerged as a unique Institution in this country. This College is the one and only institution with many specializations in

Aeronautical Maintenance Engineering. In the field of Applied Sciences, several branches for B. Sc. Degree Programmes in Aeronautical Engineering, Electronics, Computer Science and Avionics and MBA in Air Line and Airport Management were initiated there. The quality maintained in the institution, speaks volumes about the professional temperament of the Founder Chairman Late P. K. Das.

He has added a golden feather to his cap, by starting the prestigious Nehru Arts and Science College in a new campus at Thirumalayampalayam. There are 2 Engineering Colleges and 3 Management Colleges at Thirumalayampalayam and Kaliapuram, on the outskirts of Coimbatore.

In second half of the decade he has started Nehru College of Engineering & Research Centre and later on Nehru College of Pharmacy at Pampady, Kerala and Jawaharlal College of Engineering and Technology the first Aeronautical Engineering College in 2008 at Lakkidi, Palakkad District. Later on, Jawaharlal Aviation Institute in 2010. A Super Specialty Hospital named as P. K. Das Institute of Medical Sciences has been established at Vaniyamkulam in his fond memory, with all the facilities on par with world class hospitals. The efficient functioning and quality maintained in these Institutions are testimonies to his diligence and quality consciousness.

Though he left us, in the year 2009, his sons Adv. Dr. P. Krishnadas, the present Chairman and Managing Trustee and Dr. P. Krishnakumar, CEO & Secretary, Nehru Group of Institutions at Coimbatore have been groomed into successful Academicians and capable Administrators. The founder Chairman had foreseen the birth of a great University in the name of Nehru University. The insolent might and phenomenal strength of our beloved founder Chairman are etched deeply in the Group's work culture and are eloquently evident from the functioning of these Institutions. He was a simple, noble and straight forward person, with aristocratic behavioural traits.

He was tall and handsome with commanding personality not only physically, but also intellectually and behaviorally. He has left a great void, which can never be filled. Though he has left us at an untimely moment, still his wishes, aspirations and blessings surround us and energize us all through. We see our beloved founder Chairman through his sons Adv. Dr. P. Krishnadas and Dr. P. Krishnakumar. Our founder Chairman was an industrialist, par with excellence. We do remember him and his benevolence throughout our lives. We offer a thousand salutes to this Bhishmacharya of Higher Education.

PLEDGE

India is my country.

All Indians are my brothers and sisters.

I love my country, and I am proud of its rich and varied heritage.

I shall always strive to be worthy of it.

I shall respect my parents, teachers and all elders and treat everyone with courtesy.

To my country and all my people, I pledge my devotion.

In their well being and prosperity alone lies my happiness.

ACADEMIC SUPPORT AND INFRASTRUCTURE

Bridge Course

Orientation and Bridge Course are conducted for the first year students before the commencement of Academics. The purpose of this course is to bridge the gap between their school and College curriculum. A pre-test and post-test is conducted to analyze the impact of Bridge Course and categorize the students as slow, medium and fast learners and coach them accordingly.

Tutor Ward System and Mentoring

It helps in supporting and encouraging the wards to manage and enrich their learning and feel more confident and self-supporting. All the students are segregated on 20:1 ratio. Each 20 students are being under one Mentor, Mentors take care of their wards in Academic, Personal, Career, Psycho-Social aspects.

Out Bound Training Facilities

Nehru Outbound for Leadership Excellence (NOBLE) is the largest OBT facility in Private Sector in India. It is spread over 3 acres with the capacity to accommodate 120 students to stay and get trained. It helps students to unleash the hidden potential and help them to reinvent themselves. At NOBLE, we firmly believe that the traits can be learnt best in outbound programmes than in class room. This facilitates an inner view of student's strengths and limitations, there by leading them to powerful individuals.

Skill Based Value Added Courses

The Department signs a MoU with the Industries to offer Add-on courses. These MoU also helps our students in Placements. The Company which offers Add on programme ensures 10% placement for the students they train. Certificates are issued at the end of the course.

Industrial Visit

Industrial Visit is organized for the students to visit companies and get insight regarding the internal working environment of a company. Any Student who goes for Industrial Visit should submit the consent letter from their parents.

EDC & Production Unit

NASC has introduced 03 Production Unit with 09 products in 2009 with the motto “**Earn While You Learn**”. It was recognized as extension center of Technopark (TBI), Kerala from 3rd September 2010. Under, “Earn while you Learn” scheme, a Student is allowed to work for **12 to 24** hours per week. Food Production, Costume Designing,

Vermicompost, Azollo Production, Photography and Video Production were started in the year 2009. Slowly the students were able to gain Professional Guidance under the able leadership of the Principal and the Teacher-Mentors. Sharing of profit between Production Unit and Management is **60% - 40%**. The Management share is used only to fund New Units and Products. The finance is handled by the Principal. Currently we have **07 Production Units with 52 Products**.

Industry Integrated Courses

Nehru Arts and Science College (NASC) offers a range of industry-integrated value-added courses through collaborations with leading global organizations to enhance student skills and employability. The tie-up with Cambridge University – LinguaSkill equips students with internationally recognized English language proficiency, strengthening their communication skills for higher studies and global placements. Through NASSCOM, students receive training in emerging digital technologies such as data analytics, artificial intelligence, cloud computing, and cybersecurity, ensuring they are industry-ready. The partnership with L&T Edutech provides technical and engineering-oriented certifications that bridge classroom learning with practical applications, improving problem-solving abilities and placement outcomes. Collaborations with IBM and Oracle enable students to earn globally recognized certifications in programming, database management, and advanced IT technologies, giving them a competitive edge in both national and international job markets. Collectively, these industry tie-ups have significantly contributed to higher placement percentages, increased access to internships, internationally acknowledged skill certifications, and enhanced readiness for competitive exams and global career opportunities.

NGITBI

The Nehru Group of Institutions Technology Business Incubator (NGI TBI) is a pioneering initiative aimed at fostering innovation, entrepreneurship, and startup culture among aspiring technopreneurs. Supported by state-of-the-art infrastructure, mentoring and industry collaboration, NGI TBI provides a nurturing ecosystem for converting innovative ideas into viable business ventures. It offers incubation support through seed funding, training programs, networking opportunities, and access to cutting-edge research facilities. With a focus on technology-driven solutions, NGI TBI empowers young innovators to address real-world challenges and contribute to economic growth. Its strong industry-academia linkages ensure holistic development of startups from ideation to commercialization.

Modern Infrastructure

NASC offers excellent infrastructure to support academic and holistic development. The campus is well-equipped with hostels, canteens, seminar halls, small-scale production units, safe drinking water, restrooms and reliable power plants. Spacious playgrounds facilitate athletics, cricket, football, hockey, volleyball and badminton. In addition, a fully equipped gymnasium, yoga centre, and auditorium promote physical fitness, wellness and cultural enrichment.

Technology-Enabled Learning

The classrooms are well-ventilated and equipped with modern teaching aids and digital learning facilities. The entire campus is Wi-Fi enabled with up to 50 Mbps bandwidth, ensuring uninterrupted internet access across classrooms, laboratories, library, departmental offices and hostels, thereby supporting continuous academic engagement.

Central Library

The NASC Central Library, located in the main block and spread over 2000 sq. ft., houses a rich collection of 39,326 books, 2318 CDs, journals, and magazines covering literature, sciences, arts, history, and social sciences. Fully automated with Auto Lib Software (v5.1), the library offers OPAC services, barcode-based circulation, reprographic facilities, and internet-enabled systems. It accommodates over 100 readers and is equipped with CCTV surveillance and fire safety devices.

Placement Training

The Nehru Corporate Placement & Industry Relations (NCP&IR) at Nehru Arts and Science College (NASC) acts as a vital bridge between academia and industry, ensuring holistic career development and excellent placement opportunities for students. The centre maintains strong collaborations with reputed organizations and conducts pre-placement training programs, career counseling, aptitude coaching, soft skill development, mock interviews, group discussions, and resume-building sessions to enhance employability. Through these initiatives, students gain industry exposure, global certifications, and confidence to excel in competitive job markets. Each year, NASC achieves impressive placement records with leading recruiters such as Infosys, TCS, Wipro, Cognizant, HCL, Accenture, HDFC Bank, ICICI Bank, Axis Bank, Tech Mahindra, and Zoho Corporation offering positions across IT, manufacturing, banking, finance, and service sectors. In addition, the centre encourages internships and entrepreneurial ventures, equipping students with real-time skills and innovation-driven mindsets. The proactive efforts of NCP&IR have consistently resulted in high employability, global recognition, and career advancement, while also supporting students who aspire to pursue higher education and competitive examinations

FESTIVALS & CELEBRATION AT NASC

Student Ministry

Student Ministry play a vital role in both the academic and administrative spheres of our institution. They are actively involved in major institutional bodies such as the Governing Body, IQAC, Alumni Association, Fine Arts Committee, Sports and Cultural Committees, Grievance Cell, and other subcommittees. Acting as a bridge between the student community and the Management, they ensure effective communication and representation. To ensure inclusive governance, a structured Student Cabinet has been formed with 14 distinct ministries. This Cabinet empowers students to take part in the institution's daily operations. Selection of ministers is done through a four-stage process comprising a written test, group discussion, presentation, and final interview, based on skill alignment to each portfolio.

The ministry include Education, Research, Information Technology, Public Relation, Human Resource, Health, Fine Arts, Transport, Finance, External Affairs, Environment, Law & Order, Innovation & Production, Sports. Each ministry is led by a Minister, supported by a Secretary, Executive Head and seven Executive Members from different departments, totaling 140 members. They work collaboratively to enhance the campus environment and support staff and students. This system cultivates leadership, administrative competence, and decision-making abilities among students.
