## CAMPUS BUZZ

Nehru Group of Institutions observed National Pollution Prevention Day on 02 December 2025, emphasizing the importance of safeguarding the environment and promoting a pollution-free future. The observance aimed to create awareness among students and the community about the alarming rise in pollution levels and the urgent need to adopt sustainable practices.

The Department of Computer Applications observed Computer Security Day on 30 November 2025 and 1st December 2025. Students actively took part in quiz, poster making, and chart presentation competitions based on computer security themes. The event helped create awareness on cyber safety and encouraged students to showcase their knowledge and creativity.

The Mushroom Cookies were developed by the students as part of their training, under the supervision and guidance of Dr N Saranya HoD Biotechnology and Dr. Ruban, Product In-Charge
