

CAMPUS BUZZ

The School of Management - Department of Business Administration successfully organised ZEALOT 2026 - Inter-Collegiate Management Meet with enthusiastic participation from students and faculty members.

An invited talk on Competitive Examinations - SSC and TNPSC was organized with the objective of creating awareness among students about career opportunities in government services and guiding them towards systematic preparation strategies. The speaker provided a comprehensive overview of the examinations conducted by the Staff Selection Commission (SSC) and the Tamil Nadu Public Service Commission (TNPSC).

M/s. Myco Enrich Foods, Coimbatore, has been selected under the TNAPEX-RAMP programme for developing an innovative functional food product titled “Millet Mushroom Cookies.” The project is implemented at the Centre of Excellence in Biotechnology (COXBIT), Tamil Nadu Agricultural University, in collaboration with the Department of Biotechnology, Nehru Arts and Science College, Coimbatore, following the signing of a Memorandum of Understanding (MoU) between the institutions. The project activities are coordinated by Dr. N. Saranya and Ms. Parthana. The project will run from September 2025 to August 2026 with grant support of ₹1,00,000 for product development and technical assistance. This initiative promotes nutritious millet-based foods while strengthening MSME innovation and academic-industry collaboration.
