## Outbound Training Program – Day 2 Report

Department of Computer Science and Data Science. The session focused on advanced team-building activities and leadership-oriented challenges designed to enhance coordination, trust, and problem-solving skills.

Students were engaged in various outdoor exercises such as rope activities, obstacle navigation, and group coordination tasks. These activities required effective communication, mutual support, and strategic thinking, enabling participants to strengthen their teamwork and leadership abilities.

## This Day's Insight:

"Life is not a problem to be solved, but a reality to be experienced."

— Søren Kierkegaard

## BOOK RELEASE

The Department of Business Administration, proudly released the book "Air Ambulance Service Management", authored by Dr. S. Najumudeen and Dr. R. Devika. The book was formally unveiled by the Principal in the presence of the Head of the Department, celebrating another significant academic contribution by the faculty. This publication serves as a valuable reference for students and professionals, enhancing knowledge in the specialized field of air ambulance services and aviation healthcare management.

# Book Release

The Department of Business Administration, Nehru Arts and Science College, proudly released the book "Introduction to Airline Industry", authored by Mr. Pravin Kumar S, Dr. V. Selvam, and Ms. Nevasini. The book was formally released in the presence of the Principal and the Head of the Department, marking a significant academic milestone. This publication reflects the department's commitment to promoting quality learning resources and strengthening knowledge in the field of aviation and airline management.
