Daily News

This Day's Insight:

“There are more things likely to frighten us than there are to crush us; we suffer more often in imagination than in reality.”

Seneca

A guest lecture on Career Opportunities in Forensic Science was conducted for the I B.Sc. Forensic Science students by Ms. Meera, an alumna of the III B.Sc. Forensic Science (2023) batch. The session aimed to provide students with valuable insights into the diverse career paths available in the field of forensic science. The importance of developing technical skills, gaining practical exposure, and staying updated with advancements in forensic science was also highlighted in the session.
