9. Examination Malpractice Enquiry Procedure and Report

Examination Vigilance Committee has been constituted to investigate cases of malpractice committed by students during the Semester End Examinations (Theory/Practical). Any instance of malpractice observed during the examination is reported by the Hall Superintendent to the Chief Superintendent. The Hall Superintendent is responsible for collecting the answer script and any supporting materials related to the malpractice, along with a written statement from the student involved. These documents are then forwarded to the CoE with letters from both the student and the Hall Superintendent.

A circular will be issued by the Office of the CoE to inform the concerned students and their parents about the date of the malpractice enquiry. The enquiry will be conducted in the presence of the student and their parent(s). Disciplinary action is determined based on the regulations approved and subsequently ratified by the Examination Committee held during 25.11.2025 and 04.05.2026. Following is the details of student's count related to malpractices during the academic year 2025-2026.
